Yes, I would like to participate:

Name:	
Company:	
Position in the company:	
Professional background:	

Would you like us to reserve a room for you?

<input type="checkbox"/> Yes	Arrival date:	Departure date:
<input type="checkbox"/> No		

Topics (product groups) of interest – please choose **either** option A **or** option B:

<input type="checkbox"/> A: theoretical and practical standard training according to above mentioned training plan:			
<input type="checkbox"/> Clinical Chemistry (Mon, Tue)	<input type="checkbox"/> Immunoturb. Tests (Mon, Tue)	<input type="checkbox"/> DOA Liquid (Mon, Tue)	
<input type="checkbox"/> Blood Grouping (Wed)	<input type="checkbox"/> ELISA (Wed)	<input type="checkbox"/> Coagulation (Thu)	<input type="checkbox"/> Rapid Tests (Thu)
<input type="checkbox"/> Urine Strips (Thu)	<input type="checkbox"/> Serology (Fri)	<input type="checkbox"/> Point of Care (Fri)	

B: Service/Application Training only – please specify the instrument:

Autolyser or **Autolyser 450** or **CoaLyser** or **Dialisa**
 Application Training Application Training Application Training Application Training
 Service Training Service Training Service Training Service Training

or

DIAREADER/DIAWASHER and/or **DTN-405 / DTN-510K** and/or **DIACHECK SERIES**
 Application Training Application Training Application Training
 Service Training Service Training Service Training

Please note: As it is impossible to offer a special instrument training for ALL above mentioned instruments within one week, we are offering the following possibilities:

- Autolyser training only
 - Autolyser 450 training only
 - CoaLyser training only
 - Dialisa training only
 - DTN 405/510k and/or DIAREADER/DOAWASHER and/or DIACHECK training only
- If you have a special request, please let us know.

Who are our main competitors in your country?	
Clinical Chemistry:	
Protein Immunoassays:	
DOA Liquid:	
ELISA:	
Coagulation:	
Rapid Tests:	
Urine Strips:	
Serology:	
Blood Grouping:	
Point of Care:	

Anything special you would like to discuss during the training?
